

SPONSORSHIP PROGRAMME

Sponsor an animal. *Change its story.*

Your support feeds, cares for and protects the animals of Zoo Koki. Choose your favourite and join the family that makes this park possible.

FROM **50 €** per year

By sponsoring an animal you make an **annual donation** that goes towards its **food, veterinary care** and other essential needs. It is a direct way to contribute to its long-term wellbeing and to support the **conservation of endangered species**.

You choose the animal you like best and the level that suits you: **every contribution counts**. In return you receive exclusive sponsor benefits and the satisfaction of knowing that your help has a name and a face.

> **Every animal has a story. By sponsoring one, you become part of it.**
